Time to Relax

A woman with blonde hair is relaxing by a swimming pool. She is wearing a white towel and has her feet being massaged by a person with red-painted nails. A glass of orange juice with a sprig of mint and red berries is on a table next to her. The background shows the blue water of the pool.

Getaway

without leaving home

A photograph of a backyard pool area. In the foreground, there is a covered patio with a wooden ceiling and a ceiling fan. The patio is furnished with wooden armchairs and a coffee table, all with light-colored cushions. A swimming pool is visible in the middle ground, surrounded by a stone patio. In the background, there is a brick house with a large window and a black metal fence. The sky is blue with some clouds.

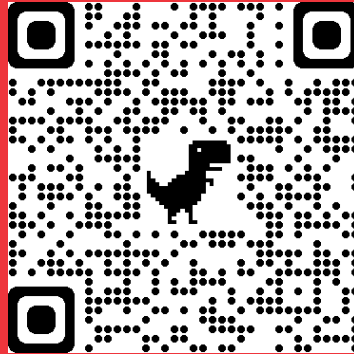

The backyard is your own private getaway. Fantastic for entertaining with a cabana that has 60 amp service with 2 flat screen tvs, fridge, keg fridge, and dishwasher. Take a dip in the inground salt water pool with waterfall feature, then rinse off in the 2 piece outdoor shower feature.
